

We're Lookin' at You, Kid

Late last summer we were cleaning our offices when we discovered a cache of old photos. Rummaging through them, we spied this shot that, let's just say, caught our eye.

If you know something about this photo – who is this person, what is he doing, and when was this picture taken – we would like to hear from you. Any information you can provide will help us in our efforts to preserve information about our past.
