1. Credit can not be used toward requirements for a Business degree.
2. With an AP score of 7, students can elect to take an attainment exam. Students who pass this exam will receive credit for 03-121 instead of 03-110.
3. Although a score of 7 will earn English AP credit, are still required to complete 76-101 or another designated writing course.
4. Credit and placement for calculus depend on the results of a Carnegie Mellon placement test as well as IB exam scores. In addition, credit for calculus courses is conditional upon successful completion of a subsequent Mathematics course.
